

# Richings Park Estate Houses without Deposit

At Richings Park new freehold houses of various types and sizes may be purchased entirely without deposit. All initial costs are included in the total purchase price and the whole spread in instalments over twenty years. In this way houses can be purchased by weekly instalments only of £1 14 0 to £3 3 0 a week. And this includes all the usual legal and road charges, main drainage, etc., as well as the installation of the special fittings supplied—complete wireless set and loudspeaker, electric cooker and electric copper, electric towel rail in the tiled bathroom, electric radiators.

Furthermore, by the payment of an additional few shillings a week, the purchaser receives an insurance policy which provides that in the event of his death the house immediately becomes his property and no further liability attaches to his dependents.

Full particulars of the Estate, the houses and the method of purchase by the "No deposit" system will be found in the new booklet which is now available. Send a postcard for a copy to RICHINGS PARK ESTATE, IVER, BUCKS.
